I FEEL LIKE I'M GO
LOVE TO
YOU KING
THINKS
YOU'RE A
GUY?

Weren't
very close
at all

Seems was the
pastimes and
wasn't friendly
with anyone

...HEY,
WOULD
YOU
STOP
GAPING
LIKE A
FOUL?

AN
ON
THE
WAY
YOU
WANT
TO
GO?

...I HEAR
YOU'RE
THERE BUT I
CAN'T EVEN
TOUCH YOU

I did touch
him, only
once, a long
time ago

ALTHOUGH
HEARING
ABOUT YOUR
DEATH TODAY
STILL MADE
ME SHOCKED.

Shit...

...MAYBE

He always
was thick
and his pres-
ence didn't
feel like a
soft cloud in
a crowd

He had
crude, like
Shinji and a
body as
big as his
pit-dogs,
though

CRUEL

He had the
sharpest
guts

and a lowest
voice with a
unique qual-
ity

ARE YOU
ANGRY AT
ME??

I've been
here since
1944, a long
time ago.

FOR WHAT
I DID THAT
TIMES?

WE WEREN'T
VERY CLOSE AT
ALL.

SORRY
FOR
INTRUDING!

I NEED TO
IMPROVE
YOUR
LIFE-
ROOM.

But
I

the
house!

I think
I'm
dread

HIS INTON-
GATED
MOANING,
GABRIEL
VOICED.

WHACK

OGE
...

WHAT?

IT WAS
NO
LONGER
A TAPER-
ING
POW.

WHAT?
WHAT?
WHAT?

WHAT?

the weight of
what I had
done only hit
me after I
woke from
my drunk
nap.

I did a terrible
thing to him,

but

ARE YOU
STILL MAD
AT ME?

...WHAT'S
WITH YOU?
SAY SOMETHING!
I CAN'T HEAR
YOU AT ALL.

WILL EVERY
IF YOU ARE,
YOU DON'T
HAVE TO ACT
LIKE THIS...

What like
didn't
discovering

like the article-
golding of a
star that had
retired hun-
dreds of light
years away

What like
didn't
discovering

What like
didn't
discovering

What like
didn't
discovering

What like
didn't
discovering

What like
didn't
discovering

The voice
that I
heard
made too
late,

that
strangely
muffled,
hoarse note

What like
didn't
discovering

What like
didn't
discovering

"Can you hear
me?" rang in
my ears; he
had said it
without fail
for four days.

His entire body and limbs that seemed to form the limbs in his acrobatic...

A beam,
refracted,
was that
exactly far-
ther than a
few billion light
years.

AN ECHO-
THROAT
THAT WAS
LIKE THE
BLACK
HOLE.

AND A GAZE
THAT FELT
DEEP LIKE A
LARGER
HOLE.

I know.

I know that
this hour
hasn't
always
watched
me.

WHEN I'VE
SEEN YOU
AROUND IT'S
SURE TO PROVE
YOU CAN
BEHOLD!
YOU'RE
ALWAYS IN
BLACK

That means, power-sharing rules:

reaching out to me from a few billion light years away.

AND IT SOUNDS AS IF IT WERE THE HAPPENING ON ANOTHER STAR PAL, FOR JAMES... BUT TO ME, IT WON'T CHANGE, NOT ONE BIT.

IT WAS
FROM LOVE
IT BECAME
THE WORLD
IT LONG

billions of light

YOU!

CAN YOU
HEAR ME,
